Ducati 900SS 1976/1980

DUCATI 750 SS (square case) 1975

DUCATI 900 Mike Hailwood Replica 1st / 2nd series

The careful craftsmanship, aesthetically accurate and particularly light, scrupulously follows the original Conti project. CONTI silencers are an artisanal product made by hand and therefore, like all artisanal products, they may have imperceptible defects that do not diminish their value or function, small imperfections are not attributable to a manufacturing defect but to the particularity of the handmade product.

Italian product
